

FOR IMMEDIATE RELEASE

Fearless Productivity

The New Steiner 235 Front Wheel Drive Tractor

The new Steiner 235 Front Wheel Drive Tractor combines speed and agility with superb traction and power to deliver a wallop of hardworking punch. A nimble workhorse, the Steiner 235 is powered by a rugged 25 hp Kubota Diesel Engine and utilizes smooth hydrostatic front wheel drive and rear power steering to provide for infinitely variable speed control up to 10 mph for open areas and a tight 14-inch turning radius for exceptional maneuverability in cramped, tight spaces and niche areas.

The compact, nimble Steiner 235 Tractor offers a low center of gravity for stability on undulating terrain and a tight 14-inch turning radius.

The steady and stable Steiner 235 is compact with a low center of gravity to tackle undulating terrain. With wide 350 Mag 6-ply front drive tires, a Transmission Differential Lock that links both drive wheels for even traction, and a TRACTION-MAX™ Weight Transfer System for a traction boost that shifts weight to the drive wheels when you need it, the new 235 practically hugs steep hills and slopes - giving users the freedom to tackle any terrain.

Steiner offers an assortment of hardy and capable front mount attachments for the 235 that include an Aerator, Machinery Hitch, Mower Decks (rotary & specialty), various Blades, Snow Blower, Scoop, Sweeper, Tiller and Turbine Blower. Operational features include a simple two-point Quick-Hitch™ System that requires no tools to connect or change

attachments, an advanced fingertip-control console, and foot-controlled forward and reverse for exceptional control and visibility that leaves no operational distraction from the work at hand.

Features of the New Steiner 235 Front Wheel Drive Tractor:

- Powerful 25 hp (24.8 gross hp) Kubota Diesel Engine
- Smooth Hydrostatic Front Wheel Drive, infinitely variable speed up to 10 mph (forward) and 5 mph (reverse)
- Maneuverable Rear Wheel Power Steering provides tight 14-inch turning radius
- Easy Foot-Controlled Forward & Reverse
- Productive Differential Lock, links both Drive Wheels for even traction
- Steady and Stable Traction-Max™ Weight Transfer (traction boost) System
- Simple two-point Quick-Hitch™ attachment system requires no tools
- Dash Mounted Control Levers
- 350 Mag 6-ply Front Drive Tires, Turf Glide Ribbed 4-ply (rear) for a stable grip in any terrain
- Warner 175 ft. lb. Electric Clutch
- Various Grounds Care Attachments: Aerator, Machinery Hitch, Mower Decks (rotary & specialty), various Blades, Snow Blower, Scoop, Sweeper, Tiller and Turbine Blower
- 2-Year Commercial/Consumer Warranty (engine warranted separately by manufacturer)

The 235 operates an assortment of hardworking attachments including a full line of snow management tools, an assortment of mowing decks and several other grounds care tools.

Specifications:

Engine	Kubota D1105-E3B 3-cylinder liquid cooled diesel. 68.63 inch displacement. 3000 RPM. 24.8 Gross Horsepower.
Charging System	40 AMP
Battery / Ignition	12 volt, 620 CCA at 0 degrees Fahrenheit / Key Switch
Transmission	Sundstrand Series 15 U type hydrostatic piston pump motor
Transaxle	2 speed Peerless 2600 Series with differential lock
Traction Boost	Hydraulic TRACTION-MAX™ adjustable weight transfer with pressure gauge indicator
Power Take-Off	Warner 175 ft lb Electric Clutch
Ground Speed, FWD	0-10 MPH (0-16.09 kmh) (high range) infinitely variable
Ground Speed, REV	0-5 MPH (0-8.05 kmh)(low range) infinitely variable
Steering	Hydraulic
Brakes	Individual wheel drum turning brakes
Lighting	Dual Headlamps. Dual Tail Lights.
Seat	Extra Large Deluxe Contoured Seat, Standard.
Fuel Tank Capacity	6 U.S. Gallons
Fuel Pump	Electric
Tires, Drive	24x11-2, 350 Mag, 6 ply
Tires, Rear	18x8.508, Turf Glide Ribbed 4 ply
Attachments	Tool-less, Quick-Hitch™ Mounting System.
Rollover Protective Structure	ROPS, Optional
Warranty	2-year commercial or residential use. See Warranty Statement for more details.
Instrumentation	Analog: Tachometer and Hour Meter. Coolant Temperature Gauge. Fuel Gauge. Charging System Indicator Light.
	Indicator Light: Engine Oil Pressure. Charging System. Glow Plug.
Overall Width	56 inches (142.24 cm)
Overall Length	82 inches (208.28 cm)
Overall Height	45 inches (114.13 cm)
Wheelbase	50 inches (127.0 cm)
Inside Turning Radius	14 inches (35.50 cm) measured from front wheel
Weight	1,420 lbs. (644.10 kg)

About Steiner

Steiner brand products are built around the principle of building the kind of machine you would build for yourself. With a wide selection attachments and accessories that till, sweep, load, plow, trench, mow, and much, much more, Steiner tractors are customizable to each owner so that as the owner's needs change so does their Steiner. Steiner products are only available through specialty dealerships. To learn more about Steiner products and to locate a dealer in your area, visit the Steiner website at www.steinerturf.com.
